PROJECTS

E-COMMERCE WEBSITE

Followed Agile methodologies and used Scrum practices to deliver a high-quality website, tracked via Trello (Kanban & Scrum boards) for project management. Ensured robust code quality through testing and adhered to design principles to create a user-friendly interface. This experience sharpened my skills in collaboration, coding, and Agile workflows.

ACCOMPLISHMENTS

ODIN PROJECT
FULL STACK JAVASCRIPT

LANGUAGES

ENGLISH, TAMIL, SWEDISH(Completed C level)
